## Great Lakes Valley Conference

Established in 1978 with a commitment to the purposes, fundamental policies and basic principles of the National Collegiate Athletic Association, the Great Lakes Valley Conference (GLVC) has grown to embody the vision established by the founders of the organization and has melded athletic and academic excellence for 35 years.

The GLVC, which at one point over the past decade grew to 17 members and was the largest athletic conference in the country in any division, has fully embraced NCAA Division II. Although formed and developed as one of the nation's premier NCAA Division II basketball conferences, the GLVC now sponsors 20 championship sports, which includes the addition of football in 2012 and men's and women's swimming and diving in 2013-14.

The formation of the GLVC can be traced as far back as 1972 when the athletic directors of three schools - Kentucky Wesleyan College, Bellarmine

College (now Bellarmine University) and Indiana State University at Evansville (now the University of Southern Indiana) - began preliminary discussions about forming a basketball conference. Four years later, the University of Indianapolis and Saint Joseph's College expressed interest. On July 7, 1978, those schools - along with Ashland University - united to become the GLVC. Under the direction of 14-year Commissioner Jim Naumovich, the GLVC will be celebrating its 35th Anniversary with several online and social media campaigns over the course of the 2013-14 academic season, while a 30-second public service announcement has also been produced.

Since its inception, 16 different institutions have joined the league. Those members include: Lewis University (1980), Indiana-Purdue at Fort Wayne (1984), Northern Kentucky University (1985), Kentucky State University (1989), Quincy University (1994),

### GLVC Western Division

Southern Illinois University Edwardsville (1994), University of Wisconsin-Parkside (1994), University of Missouri-St. Louis (1995), Drury University (2005), Missouri University of Science & Technology (2005), Rockhurst University (2005), University of Illinois Springfield (2008), Maryville University (2008), William Jewell College (2009) and McKendree University (2010). Truman State University, which was admitted to the conference as a full-time member in July 2012, is competing in its first year as an active member during the 2013-14 season.

Ashland and Kentucky State left the conference after the 1994 season, IPFW left the league following the 2000-01 academic year, and SIU Edwardsville exited the league following the 2007-08 academic year. These departures opened the door for the seven-team expansion over the past decade, allowing the league to grow 17 institutions. Northern Kentucky departed following the 2011-12 season to bring the current membership to 16 schools. Truman then replaced charter member Kentucky Wesleyan, which left the league in 2013 to pursue membership in the Great Midwest Athletic Conference.

The conference sponsors 20 championships in baseball, basketball, cross country, football, golf, soccer, swimming and diving, indoor and outdoor track and field, and tennis for men, and basketball, cross country, softball, soccer, tennis, swimming and diving, indoor and outdoor track and field, golf, and volleyball for women.

In the history of the GLVC, member schools have

captured 12 NCAA Division II national championships, including nine on the men's side. Seven of those titles were earned in the sport of men's basketball, including Drury's national championship in 2013 and Bellarmine's title in 2011. Former member Kentucky Wesleyan won the 1987, 1990, 1999 and 2001 crowns under the GLVC umbrella, while Southern Indiana added a national title in 1995. Northern Kentucky won the school's first-ever women's basketball national championship in 2000 and followed that with a national title in 2008. In addition, Northern Kentucky became the first GLVC member to win a national championship in men's soccer, while USI staked claim to the GLVC's first baseball national championship in 2010. SIU Edwardsville was the first GLVC member to win a national championship in softball in 2007.

The league also takes pride in recognizing the many academic and athletic accomplishments achieved by its student-athletes, coaches and administrators. In 2012-13, the GLVC ranked third among 23 NCAA Division II conferences in Academic Success Rate (ASR) at 80 percent and third in the Federal Graduation Rate (FGR) at 62 percent for all student-athletes. In addition, a conference-record 2,002 student-athletes were recognized with Academic All-GLVC recognition in 2012-13, while a league-best 225 student-athletes earned the GLVC Council of Presidents' Academic Excellence Award for grade-point averages of 3.5 or higher.

# 2015 in Preview

## Hawks Look To Reach Top Of GLVC

The Rockhurst Hawks enter the 2015 season with high expectations after a sub-par 2014 season. The Hawks will be returning a great deal of experience in the field after losing only two position players from the starting lineup. The Hawks also have returning inning and mound experience, having only lost two relievers and two starters from the 2014 rotation.

Entering his 22nd season with a 640-470 career record, head coach Gary Burns has high expectations for 2015. He looks to again top the ranks in the Great Lakes Valley Conference and push towards a run at the regional tournament.

### Pitching

The Hawks' pitching staff will have some big shoes to fill with the graduation of professional ballplayer Josh Tols and Rockhurst Graduate Assistant Alex Seier. Additionally, senior RHP Thomas Woodard is out for the season due to a labrum tear. Com-

binated, the three former pitchers allotted for 441.2 innings pitched.

Rockhurst is happy to return both nine-inning starters from the 2014 season. Sophomore RHPs Joe Huber and Michael Lydon-Lorson will anchor the 2015 pitching staff. Both

Junior Jake Goessling

players are coming off a successful season. They constantly went after and challenged hitters. Huber and Lydon-Lorson both have the ability to throw three pitches for strikes. They also are able to go deep into games, finishing with seven complete games together. Lydon-Lorson finished fifth in the conference with a 1.93 ERA.

After Huber and Lydon-Lorson, the Hawk rotation is somewhat unknown. Junior RHP Jake Goessling will likely be in the mix as he had an excellent season in the bullpen last year. He finished with a 2.35 ERA in 12 appearances for the Hawks. Goessling provides a mid-to-upper 80's fastball with a sharp-breaking slider and a solid change-up. He also held opposing hitters to a .195 batting average in the 2014 campaign. Goessling will bring veteran leadership to the pitching staff, as well as a "get-after-it" attitude.

Another pitcher that looks to bolster the rotation is senior RHP Zach Loeffelholz. He brings three years of experience pitching in the GLVC. Loeff-

felholz also brings the experience of pitching in the 2012 NCAA regional game against Grand Valley State University where he earned the 10-5 win. Loeffelholz battled multiple injuries but was able to finish with a 3-1 record in 13 appearances.

Newcomer Miles Kilgore, a Lee's Summit, Mo. native, will be a pitcher of interest to watch. He has a mid-to-upper 80's fastball, and a solid breaking ball. Kilgore is a power pitcher that looks to over-match hitters and blow them away. He is a Lee's Summit North graduate who earned all-conference honors for three years and was also named to the Missouri High School All-Star Team. Kilgore will look to develop into a weekday starter for the Hawks.

Seniors Trenton Perry, Derec Olson and Thomas Cargile will look to anchor the Rockhurst bullpen. Collectively, they have appeared in 18 games and will serve as middle relief options for Coach Burns. Another pitcher to keep an eye on is redshirt junior Nathan Shores. Shores is coming off a medical redshirt where he tore both his labrum and his rotator cuff. He looks to have a big bounce back year.

**Senior Jake Jones**

**Sophomore Brett Marr**

## Catcher

One of the most intensive position battles throughout the fall has been for the catcher position. The Hawks appear to be very deep, returning three guys who saw action in the 2014 season. Coach Burns looks for the catching unit to show improvement and provide more offensive production. He is excited for this group to produce.

After fall ball, redshirt senior Jake Jones appears to be the top option at the backstop. Jones broke into the starting lineup at the end of the 2014 season and took off. He finished the season with a batting average of .360, making 11 starts.

Redshirt junior Dalton Thompson, who served as the 2014 catcher until an injury sidelined him, also looks to split time. Thompson appeared in 26 games for the Hawks posting a .257 batting average. Junior Kyle Downey also saw action last year and will compete for playing time. He played in 14 games making six starts.

## Infield

With the departure of the right side of the infield due to graduations, the Hawks will look towards a couple of older guys to take their places. At first base, Blake Petersen is expected to be

the man to take over the duties from Josh Dennett, who is now an assistant coach. Petersen filled the designated hitter/pinch hitter role in the 2014 season. He finished the year with the third highest batting average on the team at .343. Petersen provides the ability to drive the ball to both gaps.

Sophomore Corbin Hare who finished with a solid freshman campaign, is also expected to compete at first base. Hare collected six doubles last year and is coming off a very successful summer season.

Redshirt senior Matt Stacks, out in 2014 with a medical redshirt, looks to be in the mix at first base as well as one of the top options at designated hitter. Stacks is the only left-handed hitter returning and could also provide a veteran bat coming off the bench late in games. In the 2013 season, he collected nine RBI in 62 at bats.

Senior Patrick Burns makes the transition to second base, moving from the outfield. He looks to be the leader in that positional race. Burns greatly improved his defense on the infield earning him honors in his summer league. He finished the season with a .274 batting average for the Hawks.

Freshman newcomer Jeremy Lufft out of Blue Springs High School, had a very good fall and looks to compete

for the starting job at second base. He provides an option to play both middle infield positions. Lufft has very good speed and could also find his way into the lineup as a pinch runner.

At shortstop, sophomore Brett Marr returns after a solid freshman year. He is also coming off a very good summer season. He showed his commitment to the program by hitting the weight room to get bigger and stronger. Marr has the ability to be one of the best shortstops in the GLVC. Expectations are high, as he will be a middle of the order bat, and has the potential to drive in a lot of runs.

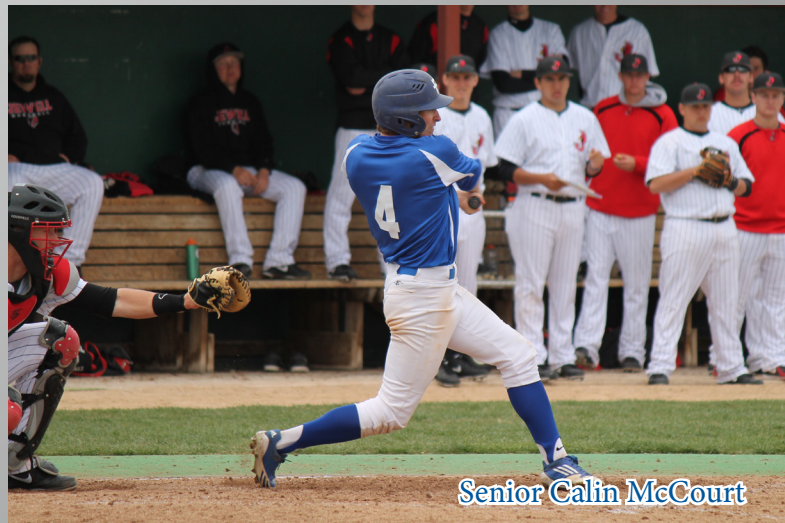

At the hot corner, sophomore Seth Soto looks to continue where he left off. He finished with a .305 batting average in 2014 and 11 RBI while battling an injury all year. Soto will also be a staple in the middle of the lineup.

Two players to keep an eye on throughout the season are junior Tim Mahoney and sophomore Skylar Smith. Both players can play all three infield positions and provide excellent defense. They both could find their way into the lineup as defensive replacements.

## Outfield

The Rockhurst outfield looks to be one of the big strengths of the 2015 season. In left field, senior Caleb Baker will be the veteran presence as he enters his fourth year of service in the outfield. He possesses excellent arm strength and bat control. In 66 at bats during the 2014 season, Baker had a team-low five strikeouts. He also had a team-high seven sacrifice hits. Baker looks to be able to contribute at both the top and the bottom of the order and has the potential to drive the ball into the gaps. Additionally, coach has Baker slotted as a reliever in the back end of the bullpen.

Sophomore David Stober will man the center of the outfield. Stober played center field during 2014 in 47 of the 48 games for the Hawks and

looks to continue that trend. Additionally, he will bolster the back end of the bullpen and is in the running for the closer position. Stober showed the most pop of the outfielders collecting 12 extra base hits, two of those being home runs. In addition to driving the ball in the gap, Stober looks to improve his contact.

Returning to right field is senior Calin McCourt. In the 2014 campaign, he earned all-conference honors and led the team with seven outfield assists. McCourt is an excellent team player; he came to the Rockhurst program as a walk-on and played on the junior varsity side for two years. He earned a roster spot in 2013 as a pinch runner and continued to improve, earning a role in the starting lineup at right field in 2014. He is one of the fastest guys on the team, which enabled him to obtain 10 stolen bases. Coach Burns looks to use McCourt's speed in all aspects of the game.

A couple of other guys to help out in the outfield will be sophomore Chase Leavy, sophomore Dylan Brauner and freshman Nick Pascuzzi. All players possess very good speed and will provide depth to an already strong outfield.

## Schedule

The Rockhurst Hawks will begin their season, as they did last year, by

making a road trip to Nashville, Tenn. While there, the Hawks will play both Tiffin and the Illinois Springfield on Belmont University's artificial turf baseball field, ES Rose Park.

In all, the Hawks' schedule will feature 25 home dates, including 18 home games against GLVC competition. Rockhurst will also face multiple MIAA opponents throughout the year. Washburn, Pittsburg State, Lincoln, Missouri Western and Central Missouri are all slated to face the Hawks. The one other DII non-conference matchup will be the Bemidji State Beavers.

An addition to the schedule in the 2015 season will be St. Louis University. The Hawks will travel to St. Louis, where they will play a single 9-inning game against the Billikens (April 15) before they take on GLVC rival Missouri-St. Louis back in Kansas City (April 18-19).

GLVC action will open for Rockhurst when they travel to Westfield, Ind. to take on the Indianapolis Greyhounds (March 14-15). In the 2014 season, the Greyhounds finished 30-25 overall, with a 23-13 GLVC record.

The 2015 Great Lakes Valley Conference Baseball Championship will be held at Grand Park Complex in Westfield, Ind., just 30 minutes north of Indianapolis (May 7-10).

## Head Coach Gary Burns

Director of Athletics

Phone: 816-501-4854

Email: Gary.Burns@Rockhurst.edu

Now entering his 22nd season as the head coach of the Hawks, Coach Gary Burns takes a 640-470 career record into the 2015 baseball season.

Coach Burns has led the Hawks to 14 post-season appearances, including six berths in the NCAA Division II Regional Tournament.

The Hawks advanced to the finals of the 2012 NCAA Midwest Regional. In 1999, Rockhurst captured the NCAA Central Regional and finished fourth at the NCAA Division II Championships in Montgomery, Ala.

The Hawks went back to the NCAA regionals in 2000 and 2003, losing to Central Missouri State in the regional finals both times. In 2004, Burns was named the Coach of the Year in the Heartland Conference as he guided the Hawks to the conference tournament championship.

Rockhurst finished third in its first season in the Great Lakes Valley Conference in 2006 and earned a berth in the NCAA Great Lakes Regional. The Hawks finished second in the GLVC West and went to the NCAA Midwest Regional in 2009. Rockhurst's players have also succeeded in the classroom as the Hawks have graduated 91 percent of their players since 1994.

Burns had the honor of coaching 14 players that went on to play in the professional baseball. Prior to becoming the head coach at Rockhurst, Burns was an assistant coach at Indiana State (1982-85), Vanderbilt (1985-91) and Clemson (1991-92).

A 1981 graduate of Vanderbilt University, he posted a 9-3 record with four saves and was the ace reliever on Vandy's 1980 SEC championship team. He also played two seasons at Johnson County Community College. He had a 17-5 record with back-to-back ERAs of 1.16 and 1.92.

Coach Burns lives in Leawood, Kan., with his wife, Janet, and 16-year-old twin sons, Jim and Jack.

Mark Hays enters his second season with the Hawks. He graduated from the University of Kansas in 2011 where he played baseball for three years. He will be in charge of the junior varsity squad this year while also serving an assistant coach for the varsity team. A native of Overland Park, Kan., Hays is a graduate of Blue Valley Northwest High School.

## Assistant Coaches

### Josh Dennett

**Infield/Position Strength & Conditioning Coach**

Josh Dennett enters his first season with the Hawks as an assistant coach after a two year playing career. Dennett will work with the infielders as well as manage the position players' weights and conditioning pro-

gram.

He played two seasons for the Hawks from 2013-14 starting 89 games at first base. In 2014, Dennett had a .379 batting average with a team-leading nine doubles and 27 runs driven in.

Dennett came to Rockhurst after two seasons at Longview Community College. He had a .319 batting average collecting 71 RBI.

The Kansas City, Mo. native is graduated with his bachelor's degree in Exercise Science in the winter of 2014.

### Alex Seier

**Graduate Assistant - Pitching/Pitcher Strength & Conditioning Coach**

Alex Seier enters his first season with the Hawks as a graduate assistant after a four year playing career. Seier will work with the pitchers as well as manage the pitchers' weights and condition program.

He played four seasons for the Hawks from 2009-14 while taking a medical redshirt in 2012. He recorded 183.1 innings pitched and ended with a 12-13 record. Seier gave up 234 career hits while walking 44 and striking out 128. He finished with 7.13 earned run average.

The Greeley, Colo. native is currently finishing a six year mechanical engineering degree, after graduating with a degree in physics of medicine at Rockhurst. He lives in Kansas City, Mo. with his wife, Beth, and their baby daughter, Ava.

### Ryan Porter

**Graduate Assistant - Infield/Position Strength & Conditioning Coach**

Ryan Porter enters his first season as a graduate assistant with the Hawks. He will work with the infielders as well as manage the position players' weight and conditioning program, along with Josh Dennett. Porter played four seasons for the Hawks from 2009-12 starting 202 games. Through his career, he had a .380 batting average with 72 doubles, eight triples and 37 home runs while collecting 202 runs batted in.

The Kansas City, Mo. native is currently working on his MBA at Rockhurst University and will graduate in the spring of 2016.

# 2014 Year in Review

## 2014 Year in Review

The Rockhurst Hawks just missed qualifying for the GLVC conference tournament in Evansville, Ind. They finished 17-31 record overall and 15-20 record in GVLC play, finishing fifth in the west division. Poor weather and bad field conditions led to the Hawks to postpone and cancel nine games on the schedule.

For the first year, the Hawks didn't travel to Florida to play in the Clearwater Invitational. They changed things up beginning their season in Nashville playing against Trevecca Nazarene University. It begins the first year that the Hawks will travel down to Nashville and play non-conference competition.

The Hawks began the season on a slow note before getting into the win column, taking the series against McKendree University. They were

also able to take series wins from Maryville University and Truman State University.

They went on to split series against Illinois Springfield University and William Jewell College, but lost series against University of Missouri-St. Louis, University of Missouri S&T, Drury University and Quincy University.

Rockhurst ranked fifth in the league in on-base percentage finishing at .363. The pitching staff also ranked in the top third in the conference with strikeouts per game. They struck out 4.92 batters per game.

2014 Senior first-baseman Josh Dennett finished fifth in the league in batting average at .378 and sixth in the league in on-base percentage at .464. Of the top ten guys in batting average, he was third with the least amount of

strikeouts, 12.

The Hawks had two pitchers who finished in the top twenty in earned run average in the league. Michael Lydon-Lorson finished fifth with a 1.89 earned run average and Josh Tols finished twelfth with a 2.60 earned run average. Tols finished with 71 strikeouts which ranked fourth in the league.

Senior pitcher Josh Tols and junior outfielder Calin McCourt received GLVC recognition. They were both named to the All-GLVC West Second Team.

The Hawks were also able to succeed in the classroom with a 3.39 grade point average. Additionally, all 11 seniors received their diplomas and graduated.

## This is RU

### Who Are We?

Founded by the Jesuits in 1910, Rockhurst is a comprehensive university that offers more than 50 undergraduate and graduate programs taught by nationally recognized faculty. Rockhurst emphasizes learning, leadership and service.

### Mission

Rockhurst University exists to transform lives by creating a learning community centered on excellence in undergraduate liberal education and graduate education. Rockhurst is Catholic and Jesuit, involved in the life and growth of the city and the region, and committed to the service of the contemporary world.

### Academics

The Jesuit tradition of focus on individual dignity runs through the curriculum, which is based on the seven classical modes of inquiry: artistic, historical, literary, philosophical, theological, scientific relational and scientific causal.

### Accolades

Rockhurst University has been ranked among the top master's universities in the Midwest by U.S. News & World Report. It also has been ranked among the nation's top 30 wireless college campuses by Intel.

Our Management MBA, offered through the Helzberg School of Management, was ranked No. 20 within the U.S. News & World Report's 2015 Best Graduate Schools list, making it the best Management MBA in Kansas City.

Rockhurst is the only institution in the Kansas City area to have earned the community engagement classification from the Carnegie Foundation for the Advancement of Teaching.

### Faculty

A 13:1 student-faculty ratio fosters rich campus discussions and wide opportunities for student research. Average class size is 24 students.

Professors, as opposed to graduate teaching assistants, teach freshman courses. Ninety-two percent of full-time faculty hold the highest degree in their field.

### Commitment to Service

Students receive two transcripts when they graduate—one for academic work and another for their service activities. Each year, Rockhurst's Center for Service Learning matches student volunteers with more than 100 local organizations in need. Rockhurst students give more than 30,000 hours annually in service to others.

### Distinction

In 2003, the prestigious Carnegie Foundation named Rockhurst as one of 12 national leadership sites for the scholarship of teaching and learning. In 2006, Rockhurst was selected as one of 12 colleges and universities nationwide to lead an effort to improve teaching in higher education. And, in 2010, the foundation recognized the University for the strength of its community outreach efforts by awarding Rockhurst its community engagement classification. Rockhurst is the only institution in the Kansas City area to have earned this high honor.

### Alumni

While more than half of Rockhurst's 25,000 alumni live in the Kansas City metropolitan area, every state in the U.S. and many foreign countries are influenced by the Rockhurst alumni who live there. Our graduates serve as executive leaders for major companies and organizations in Kansas City and throughout the country.

## Rockhurst University Administration

### Rev. Thomas B. Curran

#### President of Rockhurst University

The Rev. Thomas B. Curran began his tenure as the 14th president of Rockhurst University June 1, 2006. Fr. Curran was ordained a Roman Catholic priest and a member of the Oblates of St. Francis de Sales in 1984. In late 2011, he entered a three-year transitional period as part of the process to become a member of the Society of Jesus – the Jesuits.

Fr. Curran is well grounded in the philosophy of Jesuit higher education. In addition to earning degrees from two Jesuit universities, he previously served as associate vice president for university relations and assistant to the president at Regis University in Denver. There, he headed major gifts and corporate relations staff, directed the annual fund and had daily oversight of the university's capital campaign.

In addition to his fund-raising responsibilities and work for the president, Fr. Curran was a religious studies faculty member and a university ministry team member and retreat leader.

Before joining Regis, Fr. Curran served as president of Salesianum School in Wilmington, Del., a Catholic high school operated by the Oblates of St. Francis de Sales. While in that role, he founded Nativity Preparatory School, a middle school for low-income boys, where he also served as executive director.

Fr. Curran's wide variety of interests is apparent in his own educational background. He attended La Salle University and earned a B.A. in politics from DeSales University, an M.A. in theology from DeSales School of Theology, an M.A. in Liberal Studies, public policy and government from Georgetown University, a J.D. from the Catholic University of America and an M.B.A. from Saint Joseph's University.

Among Fr. Curran's many honors and awards are the Monsignor Thomas J. Reese Award for Outstanding Community Service from Catholic Charities Inc. of the Diocese of Wilmington; the St. Thomas More Award from the St. Thomas More Law Society, Wilmington, Del.; a City Council Commendation and a Mayor's Service Award, both from Wilmington; and the Outstanding Alumnus Award from the Catholic University of America, Washington, D.C.

In addition to these distinctions, Fr. Curran holds a variety of professional memberships, including:

- Board of Directors, The Civic Council of Greater Kansas City
- Board of Trustees, Midwest Research Institute, Kansas City, Mo.
- Board of Directors, Association of Jesuit Colleges and Universities, Washington D.C.
- Board of Directors, Chairman, Rockhurst University Continuing Education Center, Shawnee Mission, Kan.
- Catholic Chaplain, The Harry S. Truman Good Neighbor Award Foundation
- Board of Directors, Association of Catholic Colleges and Universities, Washington D.C.
- Board of Trustees, St. Joseph's University, Philadelphia, Pa.
- Board of Directors, Urban Neighborhood Initiative, Kansas City, Mo.
- Board of Trustees, John Carroll University, University Heights, Ohio
- Board of Directors, Kansas City Chamber of Commerce, Kansas City, Mo.

## Rockhurst Athletic Administration

### Mike Koehler

**Assistant Director of Athletics**

**Phone: 816-501-4331**

**Email: Michael.Koehler@Rockhurst.edu**

Mike Koehler was named the Assistant Director of Athletics in the fall of 2012. Koehler spent the past three years at Rockhurst as an assistant to the athletic director while working on his Master of Business Administration at Rockhurst.

He assisted in the day-to-day administration including compliance, budgetary and facilities issues. He also has assisted in game-day management.

In addition to receiving his MBA from Rockhurst in 2012, Koehler earned a Bachelor of Science in Civil Engineering from the University of Kansas in 1996 and a Master of Civil Engineering from the University of Kansas in 2003. He spent 12 years as a structural engineer for two Kansas City-area firms.
